Coffee Mornings Report

A BIG thank you to all our regulars at the Friday coffee mornings. With your generosity of time and community spirit we were able to raise, over the last twelve months, the fabulous sum of £1039.67 for the Community Centre. The coffee morning has never been about trying to raise money, but bringing together villagers young and old to get together for social purposes. The fact together with this we were able to raise these funds is just great.

A small group of generous villagers have made this possible through a rota of donated homemade delicious cakes and Brenda's famous sausage rolls – do come along and try them out sometime. We also offer toast with preserves and are open every Friday 10am – 12pm at the Community Centre.

Come along and meet old friends and/or make new ones! Don't worry if you're alone – a very warm welcome awaits you!
