BONFIRE NIGHT

Thanks to many people's involvement, another fantastic night was had at the community centre. We had nothing but compliments about everything that happened Friday evening, from the fantastic firework display, through the great eats to the wonderful entertainment performed by Ukulele Simon.

There are so many people to thank. To those who not only prepared the fireworks, but made sure we had a wonderful safe display. For the great bonfire and the guy. The stewards for keeping people safe. Those who not only prepared the food but supplied some as well, at their cost. To all the people who supplied marquees and helped to put them up. Everyone who did the washing up. To all those who helped behind the bar. To those selling food tokens and raffle tickets. To those who then cleared up the following day. A huge huge thank you. And all this hard effort resulted in great figures in the bar and a nice profit from the rest of the income.

And finally thanks to everyone who turned up on the night, without you, this would not have happened.

Community Welcome to POOCH'S

All the team at Pooch's are very excited to have joined the community of Flitcham having recently moved from Swaffham to the Barns at the edge of the village.

Pooch's was established in 2009 and we produce quality dog treats made with local Norfolk meat. Thanks to the support of local people and businesses we have grown year on year with many stockists in Norfolk, and across the whole of the UK.

Should anyone be passing whilst on a dog walk, please pop in and choose a free dog bone and say hello! Liz and Sarah at Pooch's - Flitcham Barns.

FLITCHAM BELL FOOTBALL CLUB

have continued to struggle a little and took a 14-1 hammering courtesy of the reigning Division One Champions England's Hope. They are a fantastic side and one of the best teams we have ever come up against. Our Goal was scored by the head of Dan Blackmur & MOM went to young Ashley Woodhouse. Up next was an away trip to Tilney Green Lions with some new faces in the team and 3 new signings making a difference to the 14 man squad. After a promising start Flitcham took the lead but eventually lost the game 2-1. With some better finishing and some luck we could've easily won the game and were overall the better side. If we continue to play like that and once the new members settle in the results should come! I would like to wish everyone connected with Flitcham Bell FC whether that be players, supporters or sponsors a very Happy Christmas and a prosperous New Year.

MOLLY DANCERS

Flitcham Molly Dance group was formed as part of the Parade and fun day celebrations in August. It was decided that the dancers would continue to practice in preparation for dancing in 2016 and beyond. Molly Dancing is a traditional East Anglian folk activity. You can find out more at www.mollydancing.com and a YouTube search will turn up lots of video of dancers in action. If you would like to join in the fun contact Sarah Jary. It's good exercise too. Regular rehearsals start Nov 18th 6.30pm in the Community Centre - why not come along.

GOOD COMPANIONS

go to Massingham in November when the Coronation Club invite us to join them for their Christmas tea party. Our Christmas lunch is at the ffolkes on December 9th and on the 15th December we are off to Cromer Pier for the Christmas Show. Hopefully we won't have a repeat of the last day we went to a show on the pier as that was the day when the pier was damaged with floods. Fortunately we had gone to the matinee performance which was not affected.
