## Flitcham Bell FC

have had a tough start to life in the Kings Lynn Sunday League top division. A change in players, injuries and players not being available each week all combined to make the tough start. Even though with some losses the players gave everything and competed and games have been closer than the scoreline suggest. The future now looks good with players returning from injuries, new signings and a more positive outlook makes the future look brighter and hopefully with results picking up and a prospect of greater success.

## Harry Bix's Exhibition

### “Midweek Dads”.

Harry, who was brought up in Flitcham is now starting the second year of his Master's Degree in Fine Art ( Media ) at the Slade in London. As part of his ongoing work, Harry staged a two day exhibition at The Greyfriars Artspace in King's Lynn; which consisted of drawings, photographs, sculpture and music.

Much of the inspiration for these works centred around his upbringing here and some of Flitcham's villagers, many of whom attended the opening night fuelled by Papworth's sausages and Andrew Jarvis's cider.

Harry (and many others !) felt it was a great success and he was pleased with the responses and comments.

Some of his friends from college and elsewhere descended on Flitcham for a couple of days swelling the ranks at the darts and dominoes match down the social club on Thursday. Amongst these friends were representatives of Australia, France & Lithuania as well as Brits and all loved Flitcham. Further orders for Albert's cider were filled prior to departure and we all highly recommend it!!

Thanks from Harry to all of you who put up with any extra noise and strange folk roaming the village and huge thanks to Lauren Fuller for working the club bar solo on the busiest night of the year ( well nearly ). (TM)

## Justine Cullum says

A HUGE THANK YOU

to all those who have donated items, time and / or money to the Community Centre Kitchenware. In order of donations: Monica Mortensson, Roger & Patsy Young, money donations Robert Walden & Sally Stanton, Colin & Sue Lukey, Joey Smithson, Buffy & John Ross. Total purchases for the kitchen equipment wish list over and above donations was just £53.44. So the remaining monies from the coffee morning; £514.67 will now be handed over to the Community Centre on behalf of all the superb coffee morning volunteers. The donated equipment will make such a difference to not only just the food nights, but for all users of the club in future times; for an array of events.

AND

A BIG THANK YOU to

- Val Blackmur, •Jane Garnett,
- Liz Osbourne, •Eileen Jarvis,
- Terry Allen, •Sarah Jary,
- Monica Mortensson

These volunteers donate their time and wonderful baked cakes for the benefit of the community. Without their support we would not have been able to raise the fine sum of £514.67 for the Community Centre. If you are free on Friday mornings, do come along and support the coffee morning and meet neighbours and friends alike - every Friday 10am – 12pm for a lovely selection of homemade cakes, scones (and Brenda's famous sausage rolls :-).
