

**WE NEED YOU!!**

Over the past year, our small team of five has achieved some amazing things for the village, and with a new Chair and Vice Chair now in place, we are excited to keep building on that progress. This year we would really love to have a full parish council so we can do more for our residents.

You don't need any previous experience as full training is provided and there is plenty of support on the way.

If you care about the village and would like to get involved, or to find out more about being a parish councillor we would love to hear from you.
