The **Annual Parish Meeting** is due to take place on Tuesday 15th May at 7:30, in the Community Centre, followed by the **Annual Parish Council meeting**.

The Annual Parish Meeting is an opportunity for villagers to attend an open meeting. The Chairman gives her report on the events of the year, the finances for the year are reported and various village groups send in reports relating to their activities over the year. If you would like an item added to the agenda for this meeting please let me know as soon as possible.

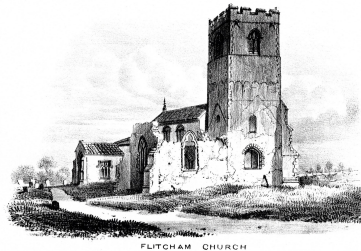

The Parish Meeting will be immediately followed by the Annual Parish Council meeting which will begin its proceedings by electing a new Chairman.

The Agendas will be posted on the noticeboard outside the Community Centre and on the village website.

and all at once I saw a cloud...

Quite a while ago, Eileen Jarvis and Christine Farrow donated, and planted, many daffodil bulbs along the grass verges of the Southern entrance to our village. They now make a colourful and eye-catching display which makes a lovely greeting to all of us and to those passing through. Each year the flowers return to do their good work. We have Eileen and Christine to thank for this enhancement. Roger Young
